**PRIVILEGED AND CONFIDENTIAL SETTLEMENT COMMUNICATION**

Dear Bob:

In my prior email with the attached RAMP, I noted that the budgets were not included and that the parties were working to revise them and transmit them to UPRR by this Friday. It appears that we have not made as much progress on those budgets as we hoped for, and therefore cannot transmit them to UPRR today. We may need an additional week for each agency to complete its budget estimates, and perhaps one additional week for the parties to get together and compile the final budget estimates into one document.

Very truly yours,
